

CleanTech initiative at gate Garching

Lisa Hyna

Communications & Community Manager

gate – Garchinger Technologie- und Gründerzentrum

The incubator

- Located on the research campus of the Technical University Munich/Garching
- Around 50 High-Tech-Startups
- Business Coaching
- Workshops and Seminars

Mission

- Contribution to climate protection
- Raising awareness for the sustainability issue within the startup ecosystem
- Promoting the term CleanTech
 - Startups that develop *clean technologies*
 - Startups that develop *technologies clean*

CleanTech approach

- Support CleanTech startups
 - Providing education and know-how concerning sustainable business management
 - Collecting experts and initiatives at the gate
- Cooperation with Climate Partner

gate-Academy: CleanTech

■ „Mini-Workshops“ held as Webinars

1. Are startups irrelevant concerning climate protection? (15.7.2020)
2. Climate neutrality as competitive advantage (22.07.2020)
3. Top 3 measures every startup can take for climate protection (29.07.2020)

■ „CleanTech-Sprechstunde“

- Personal and individual consulting hour
